

EM LawShare – statement of intent

EM LawShare is the country's largest local authority led, non-profit making legal services purchasing consortium made up of public sector organisations that work together to achieve common objectives. With over 250 members, we support a sustainable public sector legal services community primarily for local authorities by providing access to:

- Great value legal services and resources from our partner firms which are simple and easy to use for our members.
- A range of free added value services including a comprehensive training programme.
- Support during times of change.
- Opportunities for personal and professional continual development; and
- A collaborative legal community and network,

supported by our partner firms.
